

What is Mt Alexander Community Enterprise?

Mt Alexander Community Enterprise gives our whole community the power to make fantastic ideas become reality. It will initially direct money to the Wesley Hill Sports Complex and the Castlemaine Hot Rod Centre, providing support and facilities for our young people, our families, our elderly and visitors to our region.

Mt Alexander Community Enterprise means important decisions remain in our own hands. We decide how money raised for local projects is spent, and when.

The Wesley Hill Sports Complex is the home of hundreds of users every week covering football, basketball, netball, billiards, badminton, cycling, cricket, remote control cars, lifeball and little athletics. This aging facility desperately needs upgrading.

The Castlemaine Hot Rod Centre will be a facility for all our community that will provide training for young people, entertainment and exhibition facilities and active retirement facilities for a wide cross section of our community.

Mt Alexander Community Enterprise lets us make these projects become reality. It's all about working together. And it's as easy as doing your banking and using the phone.

Easy steps to helping your community

For Mt Alexander Community Enterprise to achieve all it can, we need to work together. It's not difficult and you don't need to donate time or money.

Do your banking at your local Bendigo Bank or Community Bank® branch.

Move your phone and internet accounts to Bendigo Community Telco.

1. Do your banking with Bendigo Bank

By doing something as simple as our day-to-day banking we can generate money for community projects – and the more banking business we do with the Bendigo, the more money we'll receive – and there's no catch. Your accounts don't change and there are no extra charges.

2. Get connected with Bendigo Community Telco

The same applies when we move our home or business phone, our mobile or Internet service to Bendigo Community Telco. In fact, if only 500 of us switched our phone service today, Mt Alexander Community Enterprise would earn as much as \$1500.00 per month – every month – while you enjoy their competitive rates and great service.
